Notes

- The start and finish line will be the line between the flag staff of the orange flag on the RC boat and buoy S 15.
- “stb” or “port” indicates which side of the race boat the mark must be left.
- With the **exception of 26A T-S**, passing the marks as directed in the course description will result in the marks being passed on their shoreward side.
- Lat-Long coordinates were taken with Garmin GPS 76 in Dec 2013
